Trinity Mirror

to be paying more."

However, Joy Doleman, of Holly Close, Englefield Green, said: "Of course I'm never happy about my council tax going up, but having said that I think that Runnymede Council is one of the better councils around.

get represents good value for money."

Council leader John Furey said: "An average 12p a week rise in our portion of council tax for the coming year is remarkable value for money."

He added: "We continue to address the important issues of our

has not helped us address our significant funding shortfall.

"The budget set today enables us to invest in tackling cross-border criminality and terrorism as well as maintaining our neighbourhood policing activity."

Sweet smell of success for model Chelsey

A MODEL from Virginia Water has been chosen to launch a perfume brand in a series of television ads.

Chelsey Baker (right) will be starring in commercials for Creation d'Shi perfumes, Ammo and TNT, which will be airing 16 times a day on satellite and cable channel Fashion TV over the next few months.

Originally hired as a model, Chelsey, 32, also shot the ads through her own production company, Success Media.

She said: "I suggested I could shoot the commercials and came up with the whole concept."

Chelsey also broadcasts a TV channel on Sky called Your Destiny TV which specialises in all things psychic.

She was styled for the commercials by hairdresser and make-up artist Rachel Cohen, owner of Scissorhands, in Egham.

Chelsey said: "I'm really pleased with the advert. Rachel was fantastic. It's very hard styling someone in those high-pressured conditions."
