

THE POCKET MENTOR

IN ASSOCIATION WITH ROCKSTAR MENTORING GROUP

The Pocket Mentor is your personal on-the-go guide to fast-track your business growth and improve your life. A must have for anyone who runs their own business and designed for entrepreneurs at all levels. Written to guide you through every stage of your business; providing solutions that have been tried, tested and proven.

The Pocket Mentor will impart the key strategies and foundations to enhance both your business and your potential; acting as your support and motivator throughout.

So, if you want to deliver outstanding results in your business, grow, develop and prosper; then this book is your perfect partner to achieve all this and more!

This book also includes your FREE investable business plan to help prepare you and your business for serious growth and investment.

"Chelsey is an exceptional entrepreneur who strongly believes in supporting others; she has a magnetic ability to motivate and encourage; making a profound difference to everyone she mentors; her nurturing approach and honest advice is invaluable. Chelsey is totally dedicated to encouraging enterprise and committed to empowering everyone she comes into contact with; The Pocket Mentor does exactly that!"
